INTRODUCING JAMES HAY

James has recently taken up the mantle of Seatoun AFC Junior Convenor. James grew up in the local Seatoun area and has played football for Seatoun AFC youth grades and Rongotai College. Last year, he coached the Seatoun AFC Sharks, Stingrays and Titans. He has obtained his Level 2 New Zealand Football Junior Coaching Award and is progressing through his Junior Level 3 Award this year. He is passionate about football and helping kids learn new skills. Welcome, James!

Fantails

Fantails is a programme designed for female players aged
4–12 years old to learn the beautiful game through
sessions focused on helping girls make friends, having fun,
improving their skills and being active through football.

JUNIOR PROGRAMS

Mini Football

Players play in increasing number groups (5v5; 7v7; 9v9) and are beginning to focus on technical and tactical learning with their coach. They will have 1 training and 1 game each week. These are the “skill-hungry” years. Motivationally, children are geared to learn skills at this time, providing an ideal opportunity for building football-specific skills into fundamental movement abilities.

Fun Football Club

Players play at their home club, and join a football festival every three weeks with other clubs. This is a playful environment that emphasises self-discovery.

This continuity into early engagement develops crucial factors for the future of the players such as the love for the game, game intelligence and physical literacy.

Trainings and game days in the home club will be in a circuit environment with many fun, exciting activities to keep kids learning and thinking.
